Information Regarding VALUABLE Ops 1953

REFERENCES: CELA-2219, Para 1B; []-7441

1. Following info received from AIRCERT:

A. The JAVELIN covert aircrew in training recently cracked up an airplane. The crew was unhurt. This has delayed first ref mission, but AIRCERT is counting on the crew's being ready to perform second ref leaflet drop, as scheduled, from Malta.

B. According to a Greek report, recent uprisings in south-east Albania have provoked strong security measures which have delayed a PEPRIKE team and have forced two Greek teams to fight their way over and back across the Greek frontier.
